

The Windy Pointer

2025 Newsletter

Letter from the President

Dear Windy Point Pool Members

As the newly elected Pool President, I am thrilled to welcome you to the start of the 2025 summer season at our beloved Windy Point! Our pool is more than just a place to swim—it's a hub for laughter, connection, and creating lasting memories with neighbors and friends. We're gearing up for a fantastic season, and I'm excited to share what's in store.

The pool opens Memorial Day weekend! Please check our website or Facebook for daily hours. Our dedicated volunteers (or can we say Tim?) have been hard at work ensuring the facilities are clean, safe, and ready for your enjoyment.

This newsletter is packed with information on all the things we have planned at WPP this season, like Swim Lessons, Movie Nights, Holiday events & more! We couldn't operate without our staff. Our lifeguards are fully certified, & trained in upgraded safety protocols to ensure everyone can relax and have fun with peace of mind. Please review the posted pool rules with your family.

A few reminders:

- Lounge Chair Care & Etiquette: Please avoid spraying sunscreen near chairs; it damages the vinyl - apply away from furniture. Don't stand on chairs or break the straps. Priority for lounge chairs are given to adults.
- Membership & Guest Passes: Ensure your membership is up to date to avoid any delays at check-in. Guest passes are available for purchase at the front desk.
- Community Effort: Our pool thrives because of your support. Please help keep the area clean, follow all guidelines, and report any concerns to our staff.
- Volunteers Needed: Want to get involved? We're looking for volunteers for Grounds Maintenance. Contact us to sign up

We're excited to dive into summer with you! Whether you're here to swim laps, splash with the kids, or simply soak up the sun, Windy Point is your place to make this season special. If you have any questions or suggestions, feel free to reach out to me or any member of the pool board. Here's to a summer filled with sunshine, smiles, and splashes!

Warm regards,

Lindsay Larson

A Friendly Reminder

- Pool chairs are limited - only hold one if you are sitting on it. Consider bringing folding chairs for kids. Per WPP rules, *"Preference is to be given to persons 18 years or older for the use of the pool-owned chairs."*
- Pool floats are always welcome (please be mindful of size & other swimmers)
- No pets allowed on pool property
- WiFi is available during the season - password is displayed at the pool.
- We need volunteers to help mow the field and/or picnic area
- Members are always welcome to attend the monthly board meetings – come and share your thoughts, concerns and ideas – We want to hear from you!

Clubhouse Rentals

Our clubhouse is an ideal space for both Members & Non-Members to hold their special events (showers, birthday parties, team parties, pop-ups, consultant events, and other social & professional gatherings).

If you only need the clubhouse/field for a shower, meeting, or any other type of gathering, that individual space is available! You can also book after hours parties at an additional cost.

What a fun way to celebrate a special birthday or milestone event!

To reserve the pool and/or clubhouse for your event, or if you have any questions, please contact

windypointclubhouserental@gmail.com.

Guest Passes

Do you have out of town family or friends coming for a visit or want to hang out with some friends at the pool for the day?

Guest passes are available for purchase at the pool! A single pass is \$5 or you may purchase a sheet of 10 passes for \$35. There is also an option to purchase a \$20 weekly household pass for out-of-town guests staying with members.

PLEASE REMEMBER: a guest must be accompanied by a pool member and there is a limit of 6 guests at one time per membership (unless pre-approved by pool management).

For more information on guest passes, visit

<http://www.windypointpool.com/membership> and see the GUEST ACCESS section.

MEMBERSHIP UPDATE

We're excited to share that Windy Point Pool membership has reached an all-time high! To help streamline the check-in process, we're now using an online system that allows us to update member information more efficiently.

One great feature of this system is the ability to link a photo to each membership. We plan to activate this feature a few weeks after opening to ensure everything runs smoothly.

We appreciate your patience and understanding as our lifeguards adapt to this new process. Our goal is to make your check-in experience as quick and seamless as possible!
